Female Brandishes Deadly Weapon while Road Raging

07/21/22

On July 19, 2022, ISPD was dispatched to I-70 Eastbound near the area of mile-marker 240 for a female party who had been involved in a road rage incident. While traveling eastbound on I-70 near exit 240, a female party was reported to be driving aggressively, tailgating, and passing vehicles at a high rate of speed while engaging in road rage with other vehicles. At one point, while passing a vehicle and exchanging words and hand gestures with another vehicle a female driver allegedly brandished a deadly weapon and pointed the gun at another vehicle. The suspect then lost control of her own vehicle, which caused her to veer across all lanes of traffic and crash into the center barrier along I-70. The female driver, 40 year old Jennifer Hernandez-Ambriz of Montrose, Colorado, was arrested and charged with felony menacing, and reckless driving. No injuries were reported during the incident.

ISPD reminds citizens to call law enforcement to report aggressive driving, drunk driving, and road rage type incidents. ISPD strongly encourages drivers to drive with due regard for others and use safe driving practices.
