ISPD and Clear Creek County First Responders Save Horse from Going on Highway 09/07/22

On September 01, 2022, Clear Creek County Animal Response Team along with an ISPD officer responded to the area of I-70 Westbound near the Fall River Road (exit 239) to a report of a large male horse attempting to enter the highway. The animal response team was joined by an ISPD officer to assist in roping the horse and locating the owners. The ISPD officer prepared a horse lead and safely got the lead around the horse. The ISPD officer coaxed the 4-legged escape artist up Fall River Road where they were met by the owner and safely returned to the horse to his corral. ISPD and Clear Creek Animal Services would like to remind all property and pet owners to regularly maintain your gates and fences, and to always check that they are secured before leaving your property for the day. ISPD officers never know what the day will bring and were glad to see the safe return of the horse to the owner.

*Integrity and **S**afety through constitutional **P**olicing and **D**edication to our community.*
