Are you a Crime Fighter?

06/17/2022

The Idaho Springs Police Department is pleased to announce the new “Crime Fighter” website page that can be found on the Idaho Springs Police website. The purpose of the Crime Fighter site is to publicize information regarding active cases in which ISPD needs your help. ISPD will be posting photographs and other information related to on-going investigations and we need your help.

The persons shown in the photographs on the Crime Fighter website are people ISPD is attempting to identify. The persons may be suspects, may be witnesses, and may be people we are needing to talk with regarding their involvement in a specific incident. If you have any information that can help with identifying individuals that you see on here, please contact the officer listed in the case by email.

Below are two persons of interest in theft, vehicle trespass, and property damage crimes. If you can identify these individuals, please contact the Idaho Springs Police Department referencing the case number. Please visit our website at <https://cityofidahosprings.colorado.gov/crime-fighters> for more detailed information about these cases.
