SEX OFFENDER REGISTRY ADVISEMENT FORM

Pursuant to 16-22-112, Colorado Revised Statutes, law enforcement agencies are required to release information about registered sex offenders living within the agency’s jurisdiction to residents of the jurisdiction. Sex offender registry information is made available to citizens so that they may better protect themselves and their children from these known sex offenders.

Further dissemination of this registry list by citizens is discouraged. Other community members requesting registry information should be referred to this law enforcement agency. Offenders’ addresses are reported at the time of registration and are updated when new information becomes available. The registry information released to you today is subject to change at any time in the future.

Due to mature content of registry information, it is not advisable to disseminate registry information to young children. It is strongly recommended that a parent or guardian discuss the information with children and educate children regarding personal safety issues.

Some sex offenders live in the community under criminal justice supervision (probation or parole), and supervising officers, in cooperation with other professionals, monitor their residence, activities, and compliance with their court conditions. And some sex offenders are under no supervision, as they have already served their sentences but are still required to register with law enforcement.

***The Colorado sex offender registry includes only those persons who have been required by law to register and who are in compliance with the sex offender registration laws. Person should not rely solely on the sex offender registry as a safeguard against perpetrators of sexual assault in their communities. The crime for which a person is convicted may not accurately reflect the level of risk.**

VIGILANTISM, OR USE OF THIS SEX OFFENDER REGISTRY INFORMATION TO HARASS, OR INTIMIDATE ANY REGISTERED SEX OFFENDER, HIS/HER SIGNIFICANT OTHERS, OR ANY MEMBER OF THEIR COMMUNITY SUPERVISION TEAMS WILL NOT BE TOLERATED AND WILL RESULT IN CRIMINAL PROSECUTION.

The Idaho Springs Police Department/office is available to provide useful information regarding sexual assault and personal safety, and to make referrals to other local resources to help those who have been impacted by sexual assault. If you information regarding current criminal activity of these or any other offenders, please call the Idaho Springs Police Department 303-567-4291 or after hours call dispatch 303-679-2393.

I, _____ have read and understand the above information.
